A Smarter AI Bill

A Production-ready Agent

Your first agentic AI build should ship with a platform, not a proof of concept. Here's what's included.

Component	Purpose	Price
Amazon Quick Enterprise Pack (12 months)	1 Unified low-code AI workspace	\$15,000
Quick Agents, Spaces, Automate, Apps	2 Agent runtime, knowledge, workflow, HITL	Included
Tangentia Agentic AI Implementation	3 1 agent, integrations, 3 months AMS	\$100,000
Tangentia Software	4 Tangentia Software	Included
